

2: Fuel Price Change

From the front POS screen select Menu -> Fuel -> Fuel Price Change

The screen will display all the fuel grades and current prices.

1

Select the grade to be changed from the screen.

2

Key in the new unit price (per litre) - no need to remove the zeros, numbers will overtype.

Press **Enter**

Enter New Grade Price	
New price	0.000
Current price	£1.299
Grade	1 - Unleaded

3

The new price will display to the right of the current price.

Repeat for all grades as required.

Grade Prices				
Grade	Item	Description	Current Price	New Price
1	1	Unleaded	£1.299	£1.359
2	2	Diesel	£1.329	
3	3	Ultimate Unleaded	£1.359	
4	4	Ultimate Diesel	£1.459	

4

When all new prices are entered select to update the pumps.

The screen will prompt to confirm update to forecourt pumps.
